

\$160-a-year service

Perhaps you have said, "I/We just don't go through enough paper to justify regular shredding service."

But everyone wants to protect their identity and their customer's information. And you don't want confidential information sitting unprotected in your office.

Shred on the Run has the service for you.

Shred on the Run offers regularly scheduled service for both businesses and residents at a great rate. Call today about our **\$160-a-year service**. You'll be glad you did.
